The Steelers beat the Packers 37-36 on the last play of the game. Another game we lost because of our coaching staff. Big Ben has got 500 yards + passing on the last play of the game, we don't blitz. You try to figure it out. Send the D-coordinator packing along with Thompson and McCarthy. Let's start over, we have some good tools there we just need some coaching.

Carolina pounded the Vi-Queens 26-7 playing their backup quarterback. I know I said it all year, but is anybody tired of watching all these fixed football games??

You won't get this addition of The Shopper before Christmas so you all have a good New Year, let's move on to Week 17 picks.

G-Man

WEEK 17 - JANUARY 3RD

INDIANAPOLIS OVER BUFFALO The Colts are on the road here and are hopefully still undefeated going for their 16-0 season. If they are playing all their guys, they will have no problem beating the Bills here.

CAROLINA OVER NEW ORLEANS The Panthers are at home taking on the Saints who should be sitting all their starters. The Panthers need to win to get into the Playoffs.

JACKSONVILLE OVER CLEVELAND The Jags are on the road and should be able to handle the Browns pretty easily.

PHILLY OVER DALLAS I'm guessing the Eagles will still be playing their starters to possibly get #2 in the NFC division race and they will beat Dallas on the road here.

CHICAGO OVER DETROIT As bad of a season that Da-Bears have had, they need to win this game in Detroit just for pride.

NEW ENGLAND OVER HOUSTON It's in Houston but the Patriots are too tough to beat this time of year.

PITTSBURGH OVER MIAMI The Steelers are on the road here and probably need to win to get into the Playoffs.

NY GIANTS OVER MINNESOTA The Vi-Queens will be resting some starters and the Giants are going to have to win to make the playoffs.

CINCINNATI OVER NY JETS The Bengals are on the road and should be able to handle this game against the Jets

SAN FRAN OVER ST. LOUIS The 49'ers are on the road and have to have a win.

ATLANTA OVER TAMPA BAY The Falcons are still alive in the playoff hunt and need to get this W.

GREEN BAY OVER ARIZONA The Pack is on the road and I'm guessing the Cards are going to be sitting their starters otherwise they would crush the Pack being at home.

DENVER OVER KANSAS CITY The Broncos are home at Mile High and need to win. After that solid start they had and then fell apart like they did they need to win this game to and finish strong.

BALTIMORE OVER OAKLAND The Ravens are on the road and a much better team than the Raiders.

WASHINGTON OVER SAN DIEGO Here's another game I'm guessing the Chargers are going to sit their starters and the Redskins will pull off the W.

TENNESSEE OVER SEATTLE The Titans are on the road and are the hottest team in football since Week 7. If all the starters are playing, game over by half...

In closing, this is a tough week to try to pick the winners because we don't know who all will be sitting out. Hopefully you guessed right because that WILL decide who wins the contest. Go Badgers on the 29th! Thanks to all you people that played
